OPS - 1039

PLAIN - CHOCOLATE

Latex condoms, when used properly are highly effective against pregnancy. They also can reduce considerably the risk of STD Sexually Transmitted Diseases. However, no contraceptive way can assure 100% protection against pregnancy, HIV & other STDs. Non-Vaginal use of condoms may increase the risk of slipping or damage.

SNIPER QUALITY

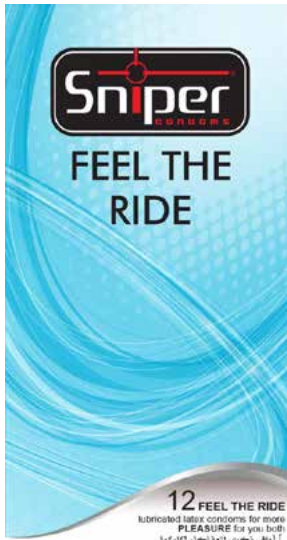

Sniper condoms meet worldwide quality standards. That's why millions of people across the world trust Sniper every day.
